

PC LAX ACKNOWLEDGEMENTS / AGREEMENTS

**Park City Lacrosse Organization
Program Policy and Procedures and Codes of Conduct
Acknowledgement and Agreement**

We, the Athlete participant and the Parent Member, have received, read and understand the “Park City Lacrosse Policies, Procedures and Codes of Conduct” (the “PCLO Manual”) issued and distributed by the Park City Lacrosse Organization (the “PCLO”) to all current and prospective Athletes and Parents (Members) of the PCLO. In completing our registration, we agree to fully abide by said policies, procedures and codes, and support same.

We hereby acknowledge and confirm that we have reviewed and fully understand, and will fully comply with, among other things contained in the PCLO Manual, the Athlete’s Code of Conduct, (including the PCLO Alcohol/Drug Policy, the Local, State and Federal Laws Policy, the Sexual Harassment Policy, the Hazing Policy, the Sportsmanship Policy, and the Academic Policy), and the Lacrosse Parents’ Code of Conduct.

We further understand and accept all the provisions for disciplinary action provided in the PCLO Manual available to the PCLO for any Athlete violations.

We understand that each coach is charged with the planning and delivery of the athletic component of the program under the driving force of the PCLO’s goals and mission. We understand that the decisions made by staff, as coaching professionals, are based on their experience and knowledge and on their continued commitment to help each athlete in reaching his or her potential.

Should we have questions about the application of these or other policies or procedures of the PCLO program, we will bring them to the attention of the President of the PCLO, and if not satisfied with answers or actions, the Board of Directors.
